M/s Intrique Equipments
Madurai - 625 016

Sub: Utility and User-friendly Intrique Equipments (HMS)

Dear Sir,

JK Physiotherapy Hospital is being run by JK MAASS Foundation, Madurai. The Physio Hospital is serving for the past 13 years, The undersigned, Managing Trustee of the Foundation and Chief Physiotherapist of the Hospital, having 13 years of experience in the Physio field and practicing at Madurai.

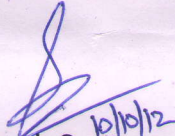

Mr V. Sundar of Intrique Equipment will be having very frequent interaction with us since beginning and we used to have the HMS Equipments for all the purposes. Till now, this practice is being followed in the Physio Hospital. Two sets of all Physio equipments from HMS are being used in this Hospital. We are using advanced HMS vacuum therapy and Unistim / combination.

The services being rendered by Mr V. Sundar is laudable to the fullest satisfaction of all Physiotherapists. He attends service calls immediately without minding time etc. Considering the services with customer care attitude and sincerity of Mr V. Sundar, I have recommended him to my juniors and fellow Physio practitioners in procuring Physio equipments.

Incidentally we would like to state that the World Physiotherapy Day was organized by us and celebrated on 08-09-2012 at Madurai. The celebration was presided over by Prof. Solomon Pappiah. More than 150 Physiotherapists attended in the gathering at Hotel North Gate. The celebration would not have been a grand success but for the support of Mr V Sundar in all ways. He displayed all equipments before the gathering of and it was well attracted the attention and appreciation of all Physiotherapists. We are very much grateful to him in this regard.

In view of this we would like to place on records the appreciation of this Foundation and Hospital and we wish Mr V. Sundar a flourishing market of Physio Equipments.

10/10/12
Physio Dr. J. Sudhakaran
BPT, M.Sc (Psy), MIAP
Chief Physiotherapist
